

Die

Greeley Estates

I didn't want to say it, but I can't keep it in
You make me want to vomit
Die won't you just die
And just when I thought that it couldn't get worse
I saw your new persona
Die won't you just die

You have a way of making this all feel so cheap
The sight of you disgusts me
Die won't you just die
I hope you enjoy your little piece of fame
It won't be here tomorrow
Die won't you just die
Won't you just die

I didn't want to say it, but I can't keep it in
You make me want to vomit
Die won't you just die
And just when I thought that it couldn't get worse
I saw your new persona
Die won't you just die

I've tried to find some humor, I've tried to relate
I won't sink to your level
Die won't you just die
Thanks for the reminder that the scene has gone to hell
It's full of little divas
Die won't you just die
Won't you just die

You came out of nowhere and you murdered the scene
If I could do you a favor, I'd choke your life out
You came out of nowhere and you don't have a clue
If I could cut you to pieces I'd take my sweet old time

All this means so much, means so much to me
The blood and the sweat, the tears I've shed
Means so much to me

I won't let you piss all of it away
