

# I'll Have to Warn You, This Won't Be Quick

Greeley Estates

So many things that I, that I wish I would've said  
If only she knew how much I feel for her now  
(2x)  
So many things that I wish, if only she knew how much I  
feel  
It's too late. It's too late, you've taken her from me

Don't say a word  
Don't say a word  
Don't say a word (I'll take my time with you)  
In honor of her  
(2x)

I can't get her picture out of my head (4x)  
you say you didn't mean it  
you say you're really sick  
That means nothing to me, I want your life for hers.  
You'll never get away with this  
You'll never get away with this  
You'll never get away  
I want your life for hers

Come on and rape my spirit  
just like you did to her  
come on and rape my spirit  
make me feel ugly  
(2x)

Don't say a word  
Don't say a word  
Don't say a word (I'll take my time with you)  
In honor of her

Don't say a word  
You murderer  
Don't say a word (I'll take my time with you)  
In honor of her

This is a fantasy of mine: to avenge the death of my  
love

This is a fantasy of mine: to avenge the death of my  
love  
It's all that I could want  
It's all that I could ask for

You'll never get away with this  
You'll never get away with this  
You'll never get away  
I want your life for hers

So many things that I, that I wish I would've said  
If only she knew how much I feel for her now  
(2x)  
So many things that I wish, if only she knew how much I  
feel  
It's too late. It's too late, you've taken her from me

Officer...

He should have known he had this coming.
