

# If We're Going Out, Let's Go Out in Style

Greeley Estates

Let's save the women,  
But let's save the children first  
Let's act like real men, for once in our lives  
We're going down straight to the ocean floor,  
To join the rest who have gone on before  
Don't be scared...

Captain,  
Did you feel the water rise?  
Did you feel the water rise?  
It's all around you now  
(Do you know where you're going?  
Do you know where you're going?  
Do you know where you're going when you die?)  
[X2]

Don't forget to say goodbye (4x)  
Don't forget, don't forget.  
Don't forget to say goodbye.  
To the ones that served you well  
Don't forget to say goodbye.  
Don't forget, don't forget.  
And don't be scared...

Do you know where you're going?

Captain,  
Did you feel the water rise?  
Did you feel the water rise?  
It's all around you now.

Captain,  
Did you feel the water rise?  
Did you feel the water rise?  
It's all around you now.  
(Do you know where you're going?  
Do you know where you're going?  
Do you know where you're going when you die?)

Gasping for air. (6x)  
Don't forget to say goodbye. (2x)

Sunshine hides from the sky,  
We're all just sinking,  
Waiting to die.  
[X2]

Captain,  
Don't you cry.  
It was an honor to serve you.  
It's just our time to die.  
(Do you know where you're going?  
Do you know where you're going?  
Do you know where you're going when you die?)  
[X2]
