

Through Waiting

Greeley Estates

I can't be the one
to show you the way all the time
I'm left all alone
to wander this place asking why

I'm falling back to you
After all that we've been through
I can't let go
I'm falling back to you
After all that we've been through
I can't let go

I'm through letting you
Walk over me, all the time
I've heard it before
You can't keep this up
Make up your mind

I'm falling back to you
After all that we've been through
I can't let go
I'm falling back to you
After all that we've been through
I can't let go

Tonight is the last night I'll wait for you
I'll wait for you
Tonight is the last night I'll wait for you
I'll wait for you

I'm falling back to you
After all that we've been... been through!

I'm falling back to you
After all that we've been through
I can't let go
I'm falling back to you
After all that we've been through
I can't let go

I can't let go!
