

409 In Your Coffeemaker

Green Day

1. I sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a daze
It should seem obvious to you
Your screams and cries are never going to work
And all of your time gets wasted
In my daze

R: And I'm looking back now
At where I have gone wrong
And why I could not seem to get along
My interests are longing
To break through these chains
These chains that control
My future's aim

2. I sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a daze
Maybe I'm just too damn lazy
Or maybe I was just brainwashed to think that way
And all of your time gets wasted
In my daze

R: And I'm looking back now... (2x)
