

1. Mom and Dad don't look so hot these days
they're getting over the hill,
Death is closing in and catching up
as far as I can tell,
Got a plan of action and cold blood
and it smells of defiance,
I'll just wait for Mom and Dad to die
and get my inheritance.

R: Now I want more because I'm getting bored
and I'm going nowhere fast,
I was once filled with doubt and now it's all figured out
that nothing good can last.

2. Crows feet and rot are setting in
and time is running out,
My parents income interest rate
is gaining higher clout,
I'm a snot nosed sod without a job
and I know I damn well should,
Mom and Dad don't look so hot these days
but my future's looking good.

R: Now I want more...
