- 1. I dont know you, but I think I hate you! You're the reason for my misery Sweat dead, you become right here as: Dead no man! and I never ever seen your face!
- R: Maybe it's just jealosy
 Mixed up with a violent mind
 A circumstance that does'nt make much sense
 Or maybe... I'm just dumb!
- 2. You're the cloud, hanging out over my face welcome to my hitman misery
 Magic man, egosentic plastic man bull shit, I'm refresh to burn on him
- R: Maybe it's just jealosy...
