

Deadbeat Holiday

Green Day

1. Wake up, The house is on fire
And the cat's caught in the dryer
Philosophy's a liar when your home is your headstone

"Icon" is the last chance for hope
When there's no such thing as heroes
Your faith lies in the ditch that you dug yourself in

X: Last chance to piss it all away
Nothing but hell to pay
When the lights are going down

R: Deadbeat Holiday celebrate your own decay
There's a vacant sign that's hanging high
On a noose over your home
Deadbeat Holiday get on your knees and pray
There's a vacant sign that's hanging high
But at least you're not alone

2. Christmas lights in the middle of August
Grudges come back to haunt us
Your oldest allies are your long lost enemies

Grounded in a duplex to find that
You're living on a landmine
Vacation hotspots is a cemetery drive

X: Last chance...

R: Deadbeat Holiday...

X: Last chance to piss it all away
Nothing but hell to pay when all you
Want to do is...not to....give up.....
