

Something's on my mind  
It's been for quite some time  
This time I'm on to you  
So where's the other face?  
The face I heard before  
Your head trip's boring me

Let's nuke the bridge we torched  
2,000 times before  
This time we'll blast it all to hell  
I've had this burning in my guts now  
for so long  
My belly's aching now to say

Stuck down in a rut of dislogic and smut  
A side of you well hid  
When it's all said and done  
it's real and it's been fun  
But was it all REAL fun

Let's nuke the bridge we torched  
2,000 times before  
This time we'll blast it all to hell  
I've felt this burning in my guts now  
for so long  
My belly's aching now to say

To say...

You're just... a fuck,  
I can't explain it 'cause I think you suck.  
I'm take-  
-in pride  
In telling you to fuck off and die.

I've had this burning in my guts now  
for so long  
My belly's aching now to say  
I'm taking pleasure in the doubts  
I've passed to you  
So listen up as you bite thisssss...

You're just... a fuck,  
I can't explain it 'cause I think you suck.  
I'm take-  
-in pride  
In telling you to fuck off and die.

Goood niiiiiiiiight....
