

Give Me Novacaine

Green Day

1. Take away the sensation inside
Bittersweet migraine in my head
It's like a throbbing toothache of the mind
I can't take this feeling anymore

R: Drain the pressure from the swelling,
The sensation's overwhelming,
Give me a kiss goodnight and everything will be alright
Tell me that I won't feel a thing
So give me novacaine

2. Out of body and out of mind
Kiss the demons out of my dreams
I get the funny feeling, that's alright
Jimmy says it's better than air,
I'll tell you why

R: Drain the pressure...

Oh Novacaine

R: Drain the pressure...
