

# Holiday

Green Day

1. Hear the sound of the falling rain  
Coming down like an armageddon flame  
The shame  
The ones who died without a name
2. Hear the dogs howling out of key  
To a hymn called "faith and misery"  
And bleed  
The company lost the war today
- R: I beg to dream and differ  
From the hollow lies  
This is the dawning of the rest of our lives  
On holiday
3. Hear the drum pounding out of time  
Another protester has crossed the line  
To find  
The money's on the other side
4. Can I get another AMEN?  
There's a flag wrapped around a score of men  
A gag  
A plastic bag on a monument

R:

The representative of California has the floor  
Z\*\*g h\*\*l to the president gas man  
Bombs away is your punishment  
Pulverize the Eiffel towers  
Who criticize your government  
Bang bang goes the broken glass  
Kill all the fags that don't agree  
Trials by fire setting fire  
Is not a way that's meant for me

Just cause  
Just cause because we're outlaws YEAH!

R: (2x)

This is our lives on holiday
