

# I Was There

Green Day

1. Looking back upon my life and the places that I've been,  
Pictures, places, girls I've loved I try to remember when,  
Faded memories on the wall, some names I have forgotten,  
But each one is a memory I look back on so often,

R: I looked into the past and I want to make it last  
I was there, I was there

2. Looking back what I have done there's lots more life to live  
Sometimes I feel overwhelmed I question what I can give  
But I don't let it get me down or cause me too much sorrow  
There's no doubt about who I am, I always have tomorrow

R: I looked into the past...

3. Looking back upon my life (On my life)  
Faded memories on the wall (On that wall)  
Looking now at who I am (Who am I ?)  
I don't let it get me down (I don't let it get me down)
