## Lazy Bones

I'm too tired to be bored I'm too bored to be tired And the silence is so deafening It's like picking at a sore I'm too mental to go crazy I'm too drunk to be pure And my mind is playing tricks on me And I can't sleep tonight

'Cause I'm so tired I can't take it anymore With all the liars Like a prisoner of war I don't want your sympathy I don't want your honesty I just want to get some peace of mind It's only in my head As I roll over and play dead I don't want to hear it anymore

It's good to see you but I really must admit There's an odor in the air and I think you look like shit I can't stand from falling down, I'm too sick to throw up Everyone keeps talking and they can't shut up the club

'Cause I'm so tired I can't take it anymore With all the liars Like a prisoner of war I don't want your sympathy I don't want your honesty I just want to get some peace of mind It's only in my head As I roll over and play dead I don't want to hear it anymore

I don't want your sympathy And I don't want your honesty I just want to get some peace of mind It's only in my head As I roll over and play dead I don't want to hear about it I don't wanna scream about it I don't want to hear it anymore
