Let Yourself Go

Green Day

Shut your mouth 'cause you're talking too much
And I don't give a fuck anyway
You always seem to be stepping in shit
And all you really do is complain
Hitch a ride, tell 'em all you like
Small minds tend to think a like

Shut your mouth 'cause you're talking too much
And I don't give a fuck anyway

R: Let yourself go, let yourself go, let yourself go (4x)
    Gotta let me go, gotta let it go (2x)

Cut the crap 'cause you're screaming in my ear
And you're talking up all of my space
You're thinning my patience again
And I'd rather get punched in the face
You're getting on my every last nerve
Everything you've said I've already heard

I'm sick to death of your every last breath
And I don't give a fuck anyway

R: Let yourself go, let yourself go, let yourself go(4x)
    Gotta let me go, gotta let it go (4x)

(Guitar Solo)

Everyone is fuckin' with my head now
Don't stop fuckin' with my head now
You're fuckin' with my fuckin' head now
You're the very thing I (**can't understand**)

R: Let yourself go, let yourself go, let yourself go(4x)
    Gotta let me go, gotta let it go (4x)
