

# Little Boy Named Train

Green Day

Where did you come from? Where have you been?  
Looks like you fell into the trash bin  
Got to the train, I'm crashing the car  
Back in the day like shooting for the stars

Like a life-long daze it's a shame  
Of my imagination  
Ride inside the mist  
I got no destination

Cause I'm a little boy named Train  
Ask me again, I'll tell you the same  
Little boy name Train

I don't know where I come from  
But I know where I have been

Serious people look funny to me  
Funny people seem so serious

I'm always lost and nothing will change  
Give me directions and I'll get lost again

Like a life-long daze it's a shame  
Of my imagination  
Ride inside the mist  
I got no destination

Cause I'm a little boy named Train  
Ask me again, I'll tell you the same  
Little boy name Train

I don't know where I come from  
But I know where I have been

Like a life-long daze it's a shame  
Of my imagination  
Ride inside the mist  
I got no destination

Cause I'm a little boy named Train  
Ask me again, I'll tell you the same  
Little boy name Train

I don't know where I come from  
But I know where I have been

I said don't know where I come from  
But I know where I have been
