When I was a kid I thought I wanted all the things that I haven't got Oh. I learned the hardest way Then I realized what it took To tell the difference between Thieves and crooks A lesson learned to me and you

Give me something that I need Satisfaction guaranteed Because I'm thinking about A brand new hope The one I've never known Cause now I know It's all that I wanted

What's the consolation prize? Economy sized dreams of hope Give me something that I need Satisfaction guaranteed Because I'm thinking about A brand new hope The one I've never known And where it goes And I'm thinking about The only road The one I've never known And where it goes

And I'm thinking about A brand new hope The one I've never known Cause now I know It's all that I wanted
