

Makeout Party

Green Day

Hey, you got yourself a pretty little mouth
I think I wanna rub it the wrong way
Do you wanna spin a bottle, play a game of chicken?
Well, it's a tongue twister till your lips are bleeding

Oh, anyhow, anywhere
Kiss me there, oh kiss me there
Oh, scream and shout, truth or dare
Kiss me there, oh kiss me there

Oh, you're so precious, you're a fucking delinquent
Well I got myself jonesin' and I need some fixin'
It's a makeout party on another dimension
And it's gonna get crowded with some bad intensions

Oh, anyhow, anywhere
Kiss me there, oh kiss me there
Oh, scream and shout, truth or dare
Kiss me there, oh kiss me there

Oh, you're so precious, you're a fucking delinquent
Well I got myself jonesin' and I need some fixin'
It's a makeout party on another dimension
And it's gonna get crowded with some bad intensions

Oh, anyhow, anywhere
Kiss me there, oh kiss me there
Oh, scream and shout, truth or dare
Kiss me there, oh kiss me there

Oh kiss me there
Kiss me there
