

Minority

Green Day

R: I want to be the minority
I don't need your authority
Down with the moral majority
Cause I want to be the minority

I pledge allegiance to the underworld
One nation under dog
There of which I stand alone
A face in the crowd
a song against the mold
Without a doubt, singled out
The only way I know

R: I want to be the minority...

Stepped out of the line
Like a sheep runs from the herd
Marching out of time
To my own beat now
The only way I know

One light, one mind Flashing in the dark
Blinded by the silence of A thousand broken hearts
For crying out loud She screams unto me
A free for all Fuck 'em all
You are your own sight

R: I want to be the minority...

One light, one mind Flashing in the dark
Blinded by the silence of A thousand broken hearts
For crying out loud She screams unto me
A free for all Fuck 'em all
You are your own sight

R: I want to be the minority...

I want to be the minority
I want to be the minority
I want to be the minority
I want to be the minority
