

No Pride

Green Day

1. I'm just a mutt
And nowhere is my home
Where dignity's a land mine
In the school of lost hope
I've panhandled for a life because
I'm not afraid to beg
Hand me down your lost and founds
Of second hand regret

R: You better swallow your pride
Or you're gonna choke on it
You better digest your values
Because they turn to shit
Honor's gonna knock you down
Before your chance to stand up and fight
I know I'm not the one
I got no pride

2. Sects of disconnection
And traditions of lost faith
No culture's worth a stream of piss
Or a bullet in my face
To hell with unity
Seperation's gonna kill us all
Torn to shreds and disjointed
Before the final fall

R: You better swallow your pride... (2x)

Close your eyes and die...
I got no pride...
I got no pride...
