

Nuclear Family

Green Day

Gonna ride the world like a merry-go-round
Like a Ferris wheel that's breaking down
Drinking angel's piss, gonna crash and burn
I just want some action so gimme my turn

Like a Chinese drama and conspiracy
It's the death of a nuclear family staring up at you
It's looking like another bad comedy
Just as long as it comes in high-fidelity for me too

Can you hear the sound coming over the hill?
Gotta move my feet, it's coming in for the kill
Ba-baby, baby it's a blow out (wow, yeah!)
Like a nuclear bomb and it won't be long 'til I detonate

Like a Chinese drama and conspiracy
It's the death of a nuclear family staring up at you
It's looking like another bad comedy
Just as long as it comes in high-fidelity for me too

Gonna ride the world like a merry-go-round
Like a Ferris wheel like that's breaking down
Scream, screaming, screaming bloody murder, wow yeah
Like a nuclear bomb and it won't be long 'til I detonate

Like a Chinese drama and conspiracy
It's the death of a nuclear family staring up at you
It's looking like another bad comedy
Just as long as it comes in high-fidelity for me too
