

Sassafras Roots

Green Day

1. Roaming round your house
Wasting your time
No obligation
Wasting your time
So why are you alone
Wasting your time
When you could be with me
Wasting your time

R: I'm a waste like you
With nothing else to do
May I waste your time too

2. Warding off regrets
Wasting your time
Smoking cigarettes
Wasting your time
I'm just a parasite
Wasting your time
Applying myself to
Wasting your time

R: I'm a waste...

*: So why are you alone
Wasting your time
When you could be with me
Wasting your time

R: I'm a waste...

May I waste your time too
May I waste your time too
May I waste your time too
