Green Day

1. I've got some scattered pictures lying on my bedroom floor.
Reminds me of the times we shared.
Makes me wish that you were here.
Now it seems I've forgotten my purpose in this life.
All the songs have been erased.
Guess I've learned from my mistakes.

R: Open the past and present.
Now and we are there.
Story to tell and I am listening.
Open the past and present.
And the future too.
It's all I've got and I'm giving it to you.

2. Loose ends tied in knots. Leaving a lump down in my throat.
Gagging on a souvenir.
Lodged to fill another year.
Drag it on and on until my skin is ripped to shreds.
Leaving myself open wide.
Living out a sacrifice.

R: Open the past and present...

*: If you got no one
And I've got no place to go
Would it be alright?
Could it be alright?

3. = 1.

R: Open the past and present...

It's all I've got and I'm giving it to you.
