

# Sex, Drugs & Violence

Green Day

All my life trouble follows me like a mystery girl  
And I've been chasing round a memory like a mystery girl  
I've been getting lost searching my soul all around this town  
I took a wrong turn in growing up and it's freaking me out

Back at school it never made much sense  
Now I pay but I can pay attention  
Teaching me the hardest lessons of my life  
Too dumb to die, guess, but that's the way it goes  
Sometimes I must regress to

Sex, drugs & violence  
English, math & science,  
Safety in numbers  
Give me, give me danger

Well I don't wanna be an imbecile  
But Jesus made me that way

All my life I've been running wild like a runaway  
Where did that magic mean like a subway

Back at home it never made much sense  
Now I pay but I can pay attention  
Teaching me the hardest lessons of my life  
Too dumb to die, guess, but that's the way it goes  
Sometimes I must regress to
