All my life trouble follows me like a mystery girl And I \square ve been chasing round a memory like a mystery girl I \square ve been getting lost searching my soul all around this town I took a wrong turn in growing up and it \square s freaking me out

Back at school it never made much sense
Now I pay but I can pay attention
Teaching me the hardest lessons of my life
Too dumb to die, guess, but that sthe way it goes
Sometimes I must regress to

Sex, drugs & violence English, math & science, Safety in numbers Give me, give me danger

Well I don't wanna be an imbecile But Jesus made me that way

All my life $I\square ve$ been running wild like a runaway Where did that magic mean like a subway

Back at home it never made much sense

Now I pay but I can pay attention

Teaching me the hardest lessons of my life

Too dumb to die, guess, but that sthe way it goes

Sometimes I must regress to

Sex, drugs & violence English, math & science, Safety in numbers Give me, give me danger
