

# She

Green Day

1. She - she screams in silence  
a sullen riot penetrating through her mind  
waiting for a sign  
to smash the silence with the brick of self-control

R: Are you locked up in a world  
that's been planned out for you  
are you feeling like a social tool without a use  
Scream at me until my ears bleed  
I'm taking heed just for you

2. She - she's figured out  
all her doubts were someone else's point of view  
waking up this time  
to smash the silence with the brick of self-control

R: Are you locked up in a world... (2x)
