

# Sick

Green Day

Why can't you just admit it, you've had it, you're sick of me  
You're fed up with all my bad habits, you're sick of me  
To your lies you've become so desensitized sick of me  
Lost regrets and you say that your mad at me sick of me  
Wonderin' out the door  
I am on to you  
Your comin' back for more  
Am I losing you?  
Like a dog that just pissed on your barbecue sick of me  
Losin' faith and you still don't know what to do sick of me  
Losin' health and now you hate everything and you're sick of me

It's a waste but we still keep on tryin' you're sick of me  
So you got your problems  
So you got it alright  
Do you have a conscience?  
Do you have a reason?  
Well I'm sick of you too.
