Tired Of Waiting For You

So tired Tired of waiting Tired of waiting for you (repeat) I was a lonely soul I had nobody till I met you But you, keeping me waiting, all of the time What can I do? It's your life And you can do what you want Do what you like But please don't keep me waiting Please don't keep me waiting Cuz I'm so tired Tired of waiting Tired of waiting for you (repeat)

(repeat verse and chorus)
