

Waiting

Green Day

1. I've been waiting a long time
For this moment to come
I'm destined for anything at all
2. Downtown lights will be shining
On me, like a new diamond
Ring out, under the midnight hour
3. No one can touch me now
And I can't turn my back
It's too late, ready or not at all

R: I'm so much closer than
I have ever known...
Wake up!

4. Dawning of a new era
Calling, don't let it catch ya
Falling, ready or not at all
5. So close, enough to taste it
I can almost embrace this
Feeling, on the top of my tongue

R: I'm so much...

Better thank your lucky stars

6. I've been waiting for a long time
For this moment to come
I'm destined for anything at all
7. Dumbstruck, colour me stupid
Good luck, you're gonna need it
Where I'm going, if i get there at all

Wake up
Better thank your lucky stars....
