

Walking Alone

Green Day

1. Come together like a foot in a shoe
Only this time I think I stuck my foot in my mouth
Thinking out loud and acting in vain
Knocking over anyone that stands in my way
- R: Sometimes I need to apologize
Sometimes I need to admit that I ain't right
Sometimes I should just keep my mouth shut
Or only say hello
Sometimes I still feel I'm walking alone
2. Walk on eggshells on my old stomping ground
Yet there's really no one left, that's hanging around
Isn't that another familiar face
Too drunk to figure out they're fading away
- R: Sometimes I need to apologize...
