

Whatsername

Green Day

Thought I ran into you down on the street
Then it turned out to only be a dream
I made a point to burn all of the photographs
She went away and then I took a different path
I remember the face
But I cant recall the name
Now I wonder how Whatsername has been

Seems that she disappeared without a trace
Did she ever marry 'ol Whatshisface
I made a point to burn all of the photographs
She went away and then I took a different path
I remember the face
But I cant recall the name
Now I wonder how Whatsername has been

Remember, whatever
It seems like forever ago
Remember, whatever
It seems like forever ago

The regrets are useless in my mind
She's in my head
I must confess
The regrets are useless in my mind
She's in my head
From so long ago
Go--go--go--

And in the darkest nights
If my memory serves me right
I'll never turn back time
Forgetting you, but not the time...
