Who Wrote Holden Caulfield?

Green Day

A thought burst in my head and I need to tell you It's news that I for thought Was it just a dream that happened long ago? I think that I just forgot

Well it hasn't been the first time And it sure does drive me mad

There's a boy who fogs his world and now he's getting lazy There's no motivation and frustration makes him crazy He makes a plan to take a stand but always ends up sitting. Someone help him up or he's gonna end up quitting

I shuffle through my mind To see if I can find The words I left behind Was it just a dream that happened long ago? Oh well... Never mind.

Well it hasn't been the first time And it sure does drive me mad

There's a boy who fogs his world and now he's getting lazy There's no motivation and frustration makes him crazy He makes a plan to take a stand but always ends up sitting. Someone help him up or he's gonna end up quitting
