

# Why Do You Want Him?

Green Day

I saw you standing alone  
With a sad look on your face  
You call him on the phone  
Looks like he left you  
Without a trace  
Tears falling out of your eyes  
He's living in a disguise  
You've been feeling bad for so long  
You wonder if it's right or wrong

Why Do You Want Him?  
Why Do You Want Him?

Now many days have gone by  
And you still just sit there and cry  
You're feeling bad for yourself  
His memory will always dwell  
You're so obsessed with his love  
That's why push came to shove  
You've been feeling bad for so long  
You wonder if it's right or wrong

Why Do You Want Him?  
Why Do You Want Him?

Why Do You Want Him?  
Why Do You Want Him?

You find a way out...  
To throw it all the way  
But you can bet...  
You got something to say

Why Do You Want Him?  
Why Do You Want Him?
