

Everything You Are

Green River Ordinance

Is there a place
Where smiles won't fade
And hearts don't break
I wanna go there
And strangers are friends
From lifetimes of waiting
To begin

Draw a line in the sand don't cross it
Keep your hopes in a box don't lock it
Keep your love right here don't toss it
It's the best part
Everything you are

Is there a way
To turn back time
To forget all of my yesterdays
To "it-all-just-seems-alright"
As it leaves
I'll learn how to laugh and smile
Here by here I'll take it all and stride
Or dwell on how as I did last time
There'll always be a second try

Draw a line in the sand don't cross it
Keep your hopes in a box don't lock it
Keep your love right here don't toss it
It's the best part
Everything you are
