

## Here We Are

## Green River Ordinance

Here we are  
Trains a leavin'  
There's no turning back  
So tired of dreamin'  
Let's just pack our bags  
Take a leap and well we won't look back  
We've all been waiting

Here we are we all wanna be big stars  
Tired of waiting and we've taking it so far  
Here we are we all wanna be big stars  
Can you hear me now can you hear me singing  
Do do do do do do do do do do do  
Do do do do do do do do do do do

Here we are  
Friday evening  
In the sexy lights finally seeing  
That there's more to life  
Hanging round  
Well let's just take that life

Here we are we all wanna be big stars  
Tired of waiting and we've taking it so far  
Here we are we all wanna be big stars  
Can you hear me now can you hear us singing  
Do do do do do do do do do do do  
Do do do do do do do do do do do

I'll never change my worried ways it's never been my kind of place  
I'll never change my worried ways It's never been my way  
Here we are we all wanna be big stars  
Can you hear me now can you hear me singing  
Do do do do do do do do do do do
