

# Where The West Wind Blows

## Green River Ordinance

Maybe I'm down to my last dollar  
I'm weak in the knees and soft in the holler  
I found a place where we can go  
A little piece of land where the west wind blows  
Where the west wind blows

Lets ge lost with no direction  
Thirty- Five head south for Texas  
I found a place where time moves slow  
A little piece of land where the west wind plows  
Where the west wind blows

I wanna be with you  
When the sun goes down  
I wanna be with you  
When the lights go out

Yeah theres so much here  
That's brought us down  
I'd leave it all  
For this crazy little love we found

Maybe I've been wondering  
Just where to call home  
And I said baby  
What I realized  
Where you are  
Is where I belong

Is where I belong

I wanna be with you  
When the sun goes down  
I wanna be with you  
When the lights go out

Yeah theres so much here  
That's brought us down  
I'd leave it all  
For this crazy little love we found
