

Where The West Wind Blows

Green River Ordinance

Maybe I'm down to my last dollar
I'm weak in the knees and soft in the holler
I found a place where we can go
A little piece of land where the west wind blows
Where the west wind blows

Lets ge lost with no direction
Thirty- Five head south for Texas
I found a place where time moves slow
A little piece of land where the west wind plows
Where the west wind blows

I wanna be with you
When the sun goes down
I wanna be with you
When the lights go out

Yeah theres so much here
That's brought us down
I'd leave it all
For this crazy little love we found

Maybe I've been wondering
Just where to call home
And I said baby
What I realized
Where you are
Is where I belong

Is where I belong

I wanna be with you
When the sun goes down
I wanna be with you
When the lights go out

Yeah theres so much here
That's brought us down
I'd leave it all
For this crazy little love we found
