

## Baby Takes

Green River

The more I die, the more you live  
Baby takes so much to give  
The more you heal, the more I ache  
Baby gives so much to take  
The more you touch, the less I feel  
Baby has so much to steal  
The more you feel, the less I am  
Well, baby stole so much to have

Give until it hurts (4x)

Down inside and dry as a bone  
Baby's upstairs all alone  
Outside and wet like a fish  
Baby took too much to give  
Baby never asked to live (4x)  
No

Live until it hurts (4x)
