

## Further In

Greg Brown

Further in, grandmother; grandfather, hold my hand  
as I go on through this life and try to understand  
the beauty of your faces I will never see again  
but I know you're with me now leading me further in

Further in, you friends of mine, they led me further in  
I know I've hurt you many times and I've helped you and I will  
again  
you to me and me to you, and us to all of them  
the circle that will ever grow as we go further in

Further in, O my love, take me further in  
past the place where love hides its face and down to where we b  
egin  
so deep in this mystery, my tears on yours depend  
and they like some wild river flow as we go further in
