

## In The Water

Greg Brown

Where's my love  
Where's my lover  
In the water  
In the water

Where do the boys go  
When the fish ain't bitin  
In the water  
In the water

Don't swim too far  
Always have a buddy  
In the water  
In the water

Where's my love  
Where's my lover  
In the water  
In the water
