

# One Wrong Turn

Greg Brown

One wrong turn is all it takes  
and there ain't many signs  
you only get a few breaks.  
Some get more. Some get less.  
One wrong turn leads to the next.

The days go slow and the years go fast.  
The future you look for is soon the past.  
You seldom end up where you thought you would.  
One wrong turn will change it all for good.

Love ain't a hug. Love ain't a kiss.  
Love is every day doing this, that, this.  
We put in our time and we put in our heart.  
One wrong turn can tear it all apart.

Where's that little house with the porch light on  
in a stand of cedar and the highway gone  
Good smells of cooking and the garden loam  
I'd have thought by now I'd have found my home.
