

Payday

Greg Brown

Honey, I did all I can do,
Can't get along with you.
I gonna take you back to Mama pay a day, pay a day.
I'm gonna take you back to Mama, pay a day.

Well that rabbit ran in the log
I ain't got no rabbit dog,
Hate to see that rabbit get away, get away.
Hate to see that rabbit get away.

Well now just about a week ago,
Hit hard times you know,
I'm gonna take care of my children,
If I can, if I can, if I can.
I'm gonna take care of my children.

Honey, I did all I can do,
And I can't get along with you.
Take you back to Mama,
Pay a day.
I'm gonna take you back to Mama,
Pay a day.
