

## Small Dark Movie

Greg Brown

So how are things going  
In the small dark movie of your life  
Late at night, you call your girlfriend  
In the morning you call your wife  
In the morning you go for coffee  
Leave town by the underpass  
Leave whatever happened last night  
Cigarette in a champagne glass

The road used to go someplace  
You never been before  
Now it's just a racetrack  
And the only prize is more  
The only off-ramp is up ahead  
And just where ain't too clear  
And change is a semi with smoking wheels  
Filling the rear view mirror

You could really use a raincoat  
And a pair of cool shoes  
You could really use some idea  
Of what you're gonna do  
But the road keeps coming at you  
And you find no place to rest  
And in these small dark movies  
No one knows what's best

So how are things going  
In the small dark movie of your life  
Late at night, you call your girlfriend  
In the morning you call your wife  
In the morning you go for coffee  
Leave town by the underpass  
Leave whatever happened last night  
Cigarette in the champagne glass

How are things going  
How are things going  
How are things going
