## From the Beginning

**Greg Lake** 

There might have been things I missed But dont be unkind
It dont mean Im blind
Perhaps theres a thing or two

I think of lying in bed I shouldnt have said But there it is

You see its all clear You were meant to be here From the beginning

Maybe I might have changed And not been so cruel Not been such a fool Whatever was done is done I just cant recall It doesnt matter at all

You see its all clear You were meant to be here From the beginning
