

I Don't Know Why I Still Love You

Greg Lake

I don't know why I still love you,
and I don't know why I should care.
You must have some magical power,
somethin' is keeping me there.
I remember a time in my life
when I was living in loneliness.
Your good love made it better, I confess.
Never be another,
it's you for me forevermore.

I don't want nobody else,
it's you that I want,
it's you that I want for sure.
Oh baby, it's you that I'm living for.

You're the only love I ever had in my life,
who ever meant anythin' at all.
The rest were just a passin' fancy
in places I find so hard to recall.
I could tell you in a very few words
just how much you mean to me.
But if my love don't reach you,
then you gotta set me free.

Don't keep me hangin' on here
like some poor misguided fool.
I'm helplessly in love with you.
It's all or nothing, don't be cruel.

Love is the only solution.
It's all you need to light your way.
If I could only find the right words to tell you,
I know it sounds cliché,
but I love you so bad.
If you don't love me, baby,
stop driving me mad.
'Cause I'm into you so much,
but I can't survive on promises
that I can't even touch.
Oh baby, I need your love so much.

So I don't know why I still love you.
Some people would call me insane.
They don't know how much
you mean to me, baby,
and I don't know how to explain.
Everytime I see you,
my heart starts beatin' boom, boom, boom.
Even a fool can see that I'm out of control.

I'm just so hung up on you, baby.
I'm addicted and I can't let go.
Somehow I gotta find the key to your heart,
nothing could stop me, 'cause baby I love you so.

'Cause I love you so bad.
If you don't love me, baby,

stop driving me mad.
'Cause I'm into you so much,
but I can't survive on promises
that I can't even touch.
