

Do What I Can

Greg Laswell

Oh lady don't you worry
I'm just in a flurry now
But the wind is picking up now
And the new newspaper's all over town
And I say what's on my mind from here on out
And I am fine
Okay yeah, sure Jim is a friend of mine
But he is running out of time
I'll do what I can for you here
I'll do what I can for you here
Dad whatever you have
I'm sure it's living in me
Cause I'm convinced
That all of this has been the best for me
And I say what's on my mind most of the time
And I am fine
Okay yeah, I could barely walk a mile
But I am running now
Running now
I know you've thought about everything you could have done
I know your home is on fire with the things that you've done wrong
Cause I live there too
Yeah, I live there too
