

Girls Just Wanna Have Fun

Greg Laswell

Came home in the middle of the night
My father says, "What you gonna do with your life"
Well daddy dear
You're still number one

Oh
Girls
They want to have fun
Oh
Girls
They

The phone rings in the middle of the night
My mother says, "When you gonna live your life right"
Well mother dear
We're not the fortunate ones

All girls
They want to have fun
Oh
Girls
They

That's all they really want
Those girls
They want to have fun

Some boys take a beautiful girl
Only to hide her away from the rest of the world
Not me
I want to be the one in the sun

Girls
They want to have fun
Oh
Girls
They that's all they really want
Those girls they wanna have fun
