Gregorian

Don't leave me now Leave me out in the pouring rain With my back against the wall Don't leave me now Don't leave me now Leave me out with nowhere to go And the shadows start to fall Don't leave me now Don't leave me now Leave me out on this lonely road As the wind begins to howl Don't leave me now Don't leave me now All alone on this darkest night Feeling old and cold and grey Don't leave me now

Don't leave me now
Leave me holding an empty heart
As the curtain starts to fall
Don't leave me now
Don't leave me now
All alone in this crazy world
When I'm old and cold and grey and time is gone.
