Evening Falls

Gregorian

When the evening falls and the daylight is fading, From within me calls - could it be I am sleeping? For a moment I stray, then it holds me completely. Close to home - I cannot say. Close to home feeling so far away.

As I walk the room, there before me a shadow From another world, where no other can follow Carry me to my own, to where I can cross over... Close to home - I cannot say. Close to home feeling so far away.

Forever searching; never right, I am lost In oceans of night. Forever Hoping I can find memories. Those memories I left behind.

Even though I leave, will I go on believing That this time is real - am I lost in this feeling? Like a child passing through, never knowing the reason. I am home - I know the way. I am home feeling oh, so far away.
