If I had another chance tonight

I'd try to tell you that the things we had were right

Time can erase the love we shared

But it gives me time to realize just how much you cared

Now you're gone, I'm really not the same, I guess I held myself to blame

Time can erase the things we said

But it gives me time to realize that you're the one who's sad You know I won't hold you back now, the love we had just can't be found

You know I can't hold you back now

Now that I'm alone it gives me time to think about the years th at you were mine $\$

Time can erase the love we shared

But it gives me time to realize just how much you cared

You know I won't hold you back now, the love we had just can't be found

You know I can't hold you back now, the love we had just can't be found
