## In the Shadows

Gregorian

No sleep No sleep until I am done with finding the answer Won't stop Won't stop before I find a cure for this cancer Sometimes I feel I going down and so disconnected Somehow I know that I am haunted to be wanted I've been watching I've been waiting In the shadows all my time I've been searching I've been living For tomorrows all my life In the shadows In the shadows They say That i must learn to kill before i can feel safe But I I rather kill myself then turn into their slave Sometimes I feel that I should go and play with the thunder Somehow I just don't wanna stay and wait for a wonder I've been watching I've been waiting In the shadows all my time I've been searching I've been living For tomorrows all my life Lately I been walking walking in circles, watching waiting for something Feel me touch me heal me, come take me higher I've been watching I've been waiting In the shadows all my time I've been searching I've been living For tomorrows all my life I've been watching I've been waiting I've been searching I've been living for tomorrows In the shadows In the shadows I've been waiting
